To All of the Staff of Menras

My husband, Alfred C. LaVier and
me, Gail C. LaVier, thank you from
the bottom of our hearts.

It's such a complete joy that can't
be explained, to know that Seniors
or others that have a fixed income
to find others that will help.

We can't thank you all enough.
God has surely put each and
every one of you in the right
job and has surely given you
all the very best gift of giving
to others.

Remember as you all bless others
God will bless you. God keep you
all in His grace and mercy always.

Love Gail C. LaVier
